

# Friends at the Spring 1st Month 2020

Wishing you *peace*

*Joy*

*and love*

in the new year!

## **Worship Leaders Cindy and Dan Perry**

First Sunday

Open Worship at 11:00 a.m.

Second Sunday

Worship at 11:00 a.m with a message from Cindy Perry

Third Sunday

Breakfast at 9:30 (please bring something to share) followed by Meeting for Business

Worship at 11:00 a.m. with a message from Dan Perry

Fourth Sunday

Worship at 11:00 a.m with a message from Tamsey Hill, counselor with the Chatham domestic violence organization Second Bloom

We are in need of volunteers to lead worship during 2020. A sign-up sheet is available in the meetinghouse (or email Kara to sign up). Friends are available to assist each other, especially those who are new members/attenders, by sharing responsibilities.

Thanks to all who donated food items for CORA in recent months. Our next donation will be to [SAFE](#) (Southern Alamance Family Empowerment). We are focusing on the collection of canned vegetables this month but any non-perishable items are welcome and can find a list of [current needs here](#).

We send good wishes to Friends celebrating birthdays and anniversaries this month!

#### **Birthdays**

3rd Abby Fisher Adams  
8th Linda McBane  
16th Lynette Russell  
17th Gains Steer  
18th Jackson Osborne  
19th Sarah Farrell  
24th Camerson Aydlett

#### **Anniversaries**

28th Chuck Fager and Wendy Michener

Excerpt from [The Role of Winter](#) by Heather McIver:

*After the celebrations, there is space for us to pull inward, rest and restore our energy for next spring. This fallow period may look quiet or still, but beneath the surface, there is magic happening. Under the surface, as we sleep or sip tea or even relax with friends...there is a quiet new energy being formed and nourished. All of the experience of the past is being integrated into our potential for the future. This transformative process is crucial for our growth and development. We are forming new growth rings which mark not only the passage of time, but our very evolution.*
