3rd Abby Fisher Adams  
18th Jackson Osborne

8th Linda McBane  
19th Sarah Farrell

17th Gaines Steer  
24th Cameron Aydlett

Happy Anniversary on January 28<sup>th</sup> to Chuck Fager and Wendy Michener

Waiting For Now By Mandie McGlynn

Everything  
is about to change.  
And  
it already has.  
It will be. It was. It is.  
The dawn you eagerly await  
to end the long, cold darkness  
is already full sun  
far off in the east.  
Yet even after light's return  
spring is months away.  
Thirty long years pass  
after His birth  
before the Messiah comes.  
Stones of justice  
have been tossed in the lake  
but their ripples have not yet arrived,  
have not resolved into the kin-dom  
already present among us.  
While we wait, let us seek  
—in the darkness of  
the Now and Not Yet—  
for the treasures God has hidden there,  
the riches of the secret places  
only found by night.  
This is what is promised us:  
the wheel of life turns ever on  
and darkness is a path to joy.

McGlynn, M. (2025, June 6). [Waiting For Now. UUA.org](https://www.uua.org).
