Cindy Perry will give a background of early Quakerism in England generally and Spring Meeting in particular. Come and join us and touch a rock from Fairbank Fell.

From Lynette Russell's copy of ***A Nature Lover's Book of Quotations***:

The sky is round, and I have heard that the earth is round like a ball, and so are all the stars. The wind, in its greatest power, whirls. Birds make their nests in circles, for theirs is the same religion as ours... Even the seasons form a great circle in their changing, and always come back again to where they were.
