***Tell It Slant*** by Emma Lapsansky-Werner with Chuck Fager

“A life generously served on wry with plenty of mustard and no cheese, Emma Lapsansky-Werner's compilation with Chuck Fager on his eighty years captures his unique synthesis of investigative journalism with religious concern, activist engagement with theological reflection, Quaker identity with wide-ranging, empathetic identifications. Chuck's story traces an engaging trajectory through our era, one to evoke both joy and sorrow from fellow travelers. His sixty-five-page bibliography itself is breathtaking, un grand oeuvre.”

-- Douglas Gwyn, Quaker author, scholar, minister and songwriter

***Tell all the truth but tell it slant***  
by Emily Dickinson

Tell all the truth but tell it slant —  
Success in Circuit lies  
Too bright for our infirm Delight  
The Truth's superb surprise  
As Lightning to the Children eased  
With explanation kind  
The Truth must dazzle gradually  
Or every man be blind —
