From July's Meeting with Attention to Business: Preparation of the outside of the Meetinghouse is well underway with lead-safe paint removal. Contributions for this heavy lift can be made using the link on the [Spring Friends website](#) and should be designated as being for the painting project

August 8th: The Peace and Social Concerns Committee is organizing a Back-to-School Ice Cream Social at the Meetinghouse with Friends hosting the local community.

August 9th Quaker Forum: While Friends at Spring share a potluck breakfast, Tom Hamm, retired Earlham College history professor, will discuss how and why some Quakers of the past were drawn to join and help lead the Ku Klux Klan. Please join us to learn about this often ignored and painful but important part of Quaker history

From our neighbors at **Springfield Friends Meeting:** Every year since 1907, the Springfield Memorial Association and Springfield Friends Meeting have offered a special program to celebrate the history of our meeting and Friends in this area. This year Joshua Brown will give a talk on *The Quakers of 1776: Springfield Friends and the American Revolution*. You are cordially invited to join us **Sunday, August 16th at 11:00**. A carry-in lunch will follow at noon, and the Museum of Old Domestic Life, a wonderful collection of artifacts from Quaker homes in the 1800's, will be open.
