Announcements: A story produced by UNC journalism students was recently shared with us and will be of interest to Friends from Spring given our close connections in past years to the Snow Camp Outdoor Theater. The [website and video linked here](#) describe the deteriorating condition of that historical site. To give context for those who are not already familiar with the Snow Camp Outdoor Theater, here is a [link to a short promotional video](#) from the show *Pathway to Freedom*, one of the two historical dramas that the theater produced in the past.
